Annex A – Guidance in developing procedures and checklists .....	25	Voyage planning .....	213
<b>Contents</b>		Cargo securing .....	213
A.1 Preparations before loading .....	27	Checklist .....	217
A.2 Safety during loading and securing of timber deck cargoes .....	29	Chapter 3 – Application .....	29
A.3 Securing of timber deck cargoes .....	30	Part A – Operational requirements .....	3
<b>Foreword</b> .....	1	<b>Resolution A.1048(27)</b>	
Code of Safe Practice for Ships carrying Timber Deck Cargoes, 2011 (2011 TDC Code) .....	3	<b>Preface</b> .....	5
<b>Chapter 1 – General</b> .....	7	<b>Chapter 1 – General</b> .....	7
1.1 Purpose .....	7	1.1 Purpose .....	7
1.2 Application .....	7	1.2 Application .....	7
1.3 Definitions .....	8	1.3 Definitions .....	8
<b>Part A – Operational requirements</b>		<b>Chapter 2 – General recommendations on stowage and securing of timber deck cargoes</b> .....	11
<b>Chapter 2 – General recommendations on stowage and securing of timber deck cargoes</b> .....		2.1 Goals .....	11
2.1 Goals .....		2.2 Pre-loading operation .....	11
2.2 Pre-loading operation .....		2.3 Permitted loading weights on decks and hatch covers .....	12
2.3 Permitted loading weights on decks and hatch covers .....		2.4 Stability .....	13
2.4 Stability .....		2.5 Load line .....	13
2.5 Load line .....		2.6 Timber freeboard .....	14
2.6 Timber freeboard .....		2.7 Visibility .....	14
2.7 Visibility .....		2.8 Work safety and work environment aspects .....	14
2.8 Work safety and work environment aspects .....		2.9 Stowage .....	16
2.9 Stowage .....		2.10 Securing .....	17
2.10 Securing .....		2.11 Post-loading operation .....	23
